### Recommends

A wedding ceremony in a perfect sea of Marianas blue. After the ceremony it is good to have a reception at the Surf Club Restaurant with nice view.

※In case of rain we will change the venue inside the beach tent (surf club) or chapel (Grandvrio Resort)

### Happy Points

- ♥ Unity sand ceremony at the venue (Pouring White sand and a colored sand of your choice in a bottle for yours to take home)
- ♥ Natural bamboo arbor with twenty chairs; sea themed decoration, ribbon, and fabric
